Remote Full-Stack Developer

Profile

A self-taught learner and simple passionate developer 🐱‍👤.
I like to develop stuff and it's a real pleasure to have positive feedback from my clients) 💥.
I greatly admire & respect those who also develop and do great things from a few lines of code🤝.
As for work, I am pragmatic. I like to learn from others and I always try to do better than before💻.
I adapt very quickly to a new work environment and I I'm comfortable working in a team. I am pretty calm, and I listen to others when they need to talk to me 😀.
